

Spring of God

By: Austin Westphal

Album: Stand By Your Battles (Song #3)

“Drinking from eternal waters whence the Spring of God is free.”

Verse 1:

I want to drink God’s Eternal Waters,

At the whence of God’s Springs that are free.

The Goodness of God is good,

Oh, It is good indeed!

Verse 2:

I give my heart to God,

God will wash my sins away with Eternal Waters.

The goodness of God’s Forgiveness is powerful,

The Spring of God is God’s Powerful Forgiveness!

Chorus:

The Spring of God gives me an everlasting life

Leaving me to Trust in the Spring of God.

When I don’t see forgiveness

God see’s all forgiveness.

Oh-ooh, Eternal waters is the grace of God!

When I need a mountain moved,

God will move that mountain.

When I feel weak, you give me strength, (oh-oh-oh)

The Spring of God gives me Strength!

Verse 3:

I am weak, but the Spring of God tells me,
That I am strong, Oh yeah,
Help me remember when I am weak,
That fear will come but that fear will leave.
The Spring of God is my strength and always will be!

Bridge:

I want to drink God's Eternal Waters,
At the whence of God's Springs that are free.
The Goodness of God is good,
Oh, It is good indeed!
I give my heart to God,
God will wash my sins away with Eternal Waters.
The goodness of God's Forgiveness is powerful,
The Spring of God is God's Powerful Forgiveness!

Chorus:

The Spring of God gives me an everlasting life
Leaving me to Trust in the Spring of God.
When I don't see forgiveness
God see's all forgiveness.
Oh-ooh, Eternal waters is the grace of God!
When I need a mountain moved, God will move that mountain.
When I feel weak, you give me strength. (oh-oh-oh)

The Spring of God gives me Strength!
