

Believe in the Lord God

By: Austin Westphal

Album: Stand by Your Battles (Song #2)

Intro:

VERSE 1:

How long have you been praying that someday God will answer you?

Have you been wondering what God has planned for you?

He already has your life planned out!

Oh, all you have to do, is just Believe in the Lord God!

CHORUS:

You say that I am free, when inside I feel that I am not.

Inside I feel that I am not loved, You are the one that lives inside my heart,

You fill me with love! All I did was Believe in the Lord God!

I thought you were just words on a page, But I was wrong when I came to the point,

When I decided that I Just Believed in the Lord God!

VERSE 2:

You gave your life to give me mine, oh, you say all my sins are washed away.

But the only thing to do is, Believe in the Lord God!

F#add9/A#

When I fall, you will lift me up, You are for me, not against me! Yeah!

You correct my mistakes, just believe in the Lord God! – Oh, Oh, Oh. . .

BRIDGE:

You gave up your one and only son, to die on the cross for our sins.

You said that I will go to heaven at the end of my life, I had doubts on that, I am sure everyone did.

Once I believed in the Lord God, I noticed all my sins were washed away,

And that I will go to heaven at the end of my life!

Verse 3:

What does it take for God to hear me? Don't stop believing in the Lord God,

He is listening to you all the time! Let the Lord God take your life,

And put it in his hands. Just Believe in the Lord God.

In my blindness, you are my vision, God you are my answers.

In my weakness, God you are my power!

Chorus:

You say that I am free, when inside I feel that I am not.

Inside I feel that I am not loved, You are the one that lives inside my heart,

You fill me with love! All I did was Believe in the Lord God!

I thought you were just words on a page, But I was wrong when I came to the point,

When I decided that I Just Believed in the Lord God!
